**Waste Management will resume Bulk Item Collection
for Joliet residents on Monday, May 11, 2020**

Bulk Item pickup for residents that pay for municipal waste on their water and sewer bills will resume on regularly scheduled garbage and recycling pickup days starting Monday, May 11, 2020. Bulk items are defined as furniture, mattresses, carpet and appliances.

Residents are asked to call (815) 280-7854 to notify Waste Management when placing a bulk item out for pick-up at their location. Additionally, residents are asked to limit their bulk items to 1 per week until the volume returns to normal in a few weeks. This is strictly to ensure that WM collection teams can complete all the core services each week.

Please contact the Waste Management at (815) 280-7854 with any questions.
